

Concierge Phlebotomy Services

When your patients require a blood draw, Vibrant America's **bleeding edge** concierge service simplifies the process. All your patient needs to do is choose a location and provide three available times. Vibrant handles the coordination with local phlebotomy partners and communicates the details to all parties. Patients benefit from a convenient scheduling process, a transparent flat fee, and the option to have their blood drawn at home or wherever they choose.

Addressing Today's Phlebotomy Challenges

- **Patient Inconvenience:** Patients often face challenges in accessing timely and convenient blood draw services.
- **Scheduling Inefficiencies:** Coordination of appointments can be complex and time-consuming.
- **Service Quality Variability:** Inconsistent service quality and price can lead to patient dissatisfaction.

Our Solution

Simplified Patient Scheduling

Easy-to-use scheduling platform for patients.

Transparent Flat-Rate Pricing

No hidden fees, clear and upfront costs.

Improved Accessibility

Enhanced service availability for all patients.

Benefits For Your Practice

Enhance your patients' experience and streamline your practice with our blood draw concierge service. This service simplifies the collection process, freeing up valuable time and resources for you and your patients.

With a transparent flat fee that can be easily added to the overall bill or paid separately by the patient, you ensure predictable costs and efficient care.

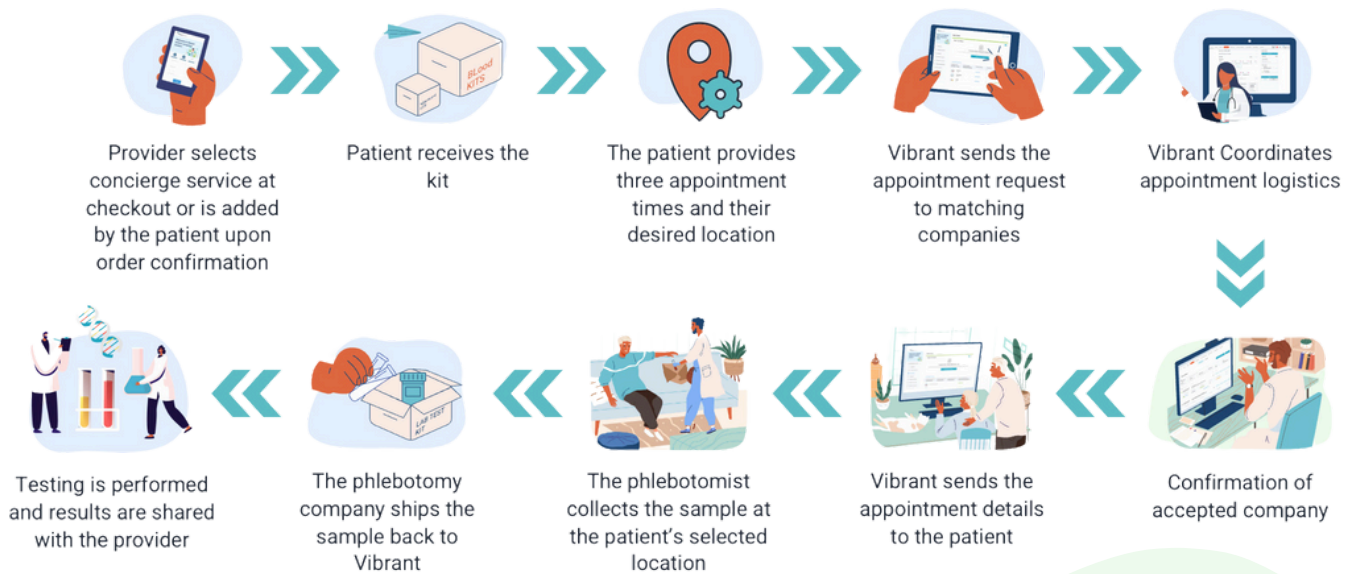

Patients benefit from convenient scheduling, minimal burden, and the option to have their blood drawn at home, leading to improved satisfaction and timely, reliable service.

What You Get

- **Increased Patient Satisfaction:** Improve patient satisfaction and trust in your practice by offering a convenient and efficient phlebotomy service.
- **Enhanced Patient Experience:** Eliminate the need to locate and contact blood draw centers directly, providing a seamless and stress-free process for your patients.
- **Simplified Administration:** Patients can easily book appointments with clear, upfront costs that can be added to their overall bill, reducing pricing differences across multiple companies.
- **Improved Accessibility:** Ensure that patients receive timely and high-quality phlebotomy services.

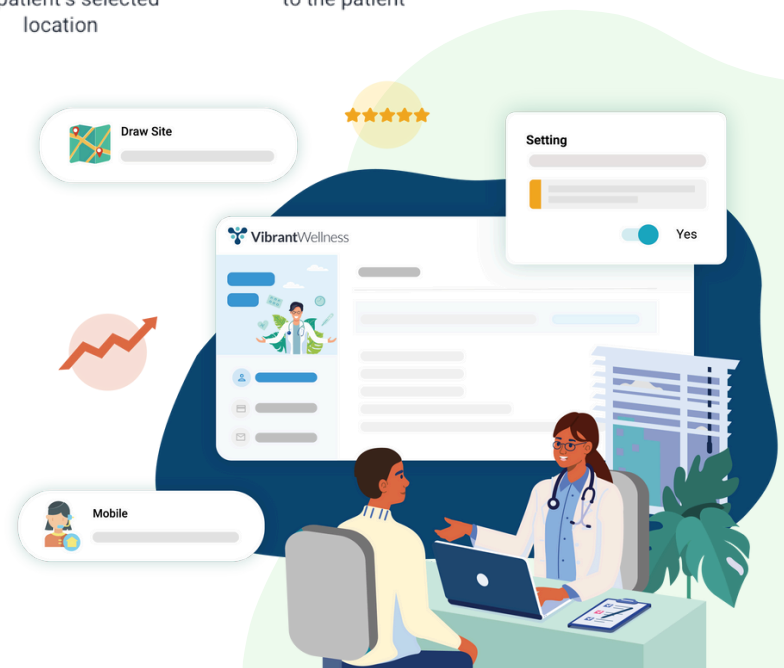

How It Works

Transforming Phlebotomy

Our custom app automates key aspects of the phlebotomy service while maintaining a personalized touch. Throughout the beta phase, we will gather feedback to continuously improve the user experience and operational efficiency. Vibrant America is dedicated to providing a reliable, intuitive, and high-quality phlebotomy service.

Join us in pioneering the future of phlebotomy services and enhancing patient care.

Regulatory Statement

The general wellness test intended uses relate to sustaining or offering general improvement to functions associated with a general state of health while making reference to diseases or conditions. This test has been laboratory developed and its performance characteristics determined by Vibrant America LLC and Vibrant Wellness, CLIA-certified and CAP-accredited laboratory performing the test. The test has not been cleared or approved by the U.S. Food and Drug Administration (FDA). Although FDA does not currently clear or approve laboratory-developed tests in the U.S., certification of the laboratory is required under CLIA to ensure the quality and validity of the tests.
