Payment options

Vibrant America does not accept any private insurance or Medicare/Medicare Advantage plans.

- Please follow the cash price sheet for the most updated price list.
- Test results will not be released until payment has been made in full.

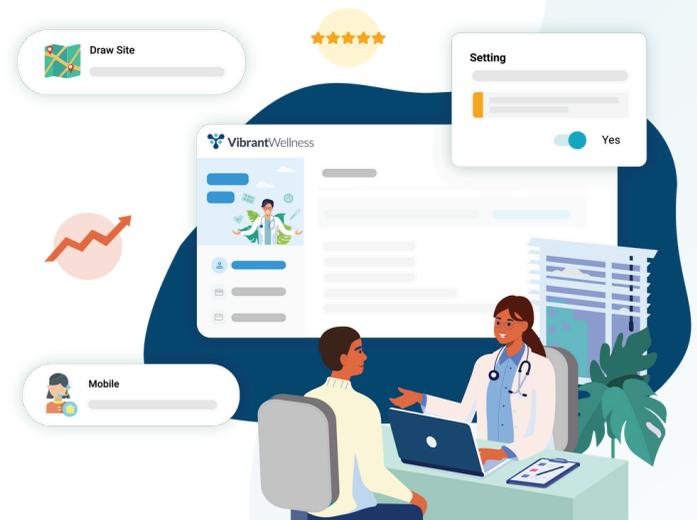

Here are the payment options we offer:

- **Patient Pay Now**
 - Patient will be responsible for the lab work.
 - Patient must provide credit card information on the order summary form.
- **Patient Pay Later**
 - Patient will be responsible for the lab work.
 - A valid email address must be provided on the order summary form.
 - A payment link will be sent out to the patient.
- **Provider Pay**
 - Provider will be responsible for lab work.
 - Must have credit card on file. Credit cards will be charged every day.
 - If you have any questions regarding client bill, please reach out to your sales representative.

Lab Processing Fees

- If the total cost of an order is below the payment cap of \$225, a processing fee of \$125 will be applied. The final cost will be either the payment cap value of \$225 or the original cost of the order plus the processing fee, whichever amount is lower.
- If a patient undergoes testing within a certain time frame (between 7 and 180 days) of their previous test, the minimum charge for the subsequent test will be reduced compared to the regular charge.
- Exceptions include Food Sensitivity Profile 1, Food Sensitivity Profile 2, Viral Infections Panel, Intestinal Permeability, Neural Zoomer, Food Additives.
