If you have any questions regarding client bill, please reach out to your sales representative.

## Lab Processing Fees

- If the total cost of an order is below the payment cap of \$199, a processing fee of \$99 will be applied. The final cost will be either the payment cap value of \$199 or the original cost of the order plus the processing fee, whichever amount is lower.
- If a patient undergoes testing within a certain time frame (between 7 and 180 days) of their previous test, the minimum charge for the subsequent test will be reduced compared to the regular charge.
- Exceptions include Food Sensitivity Profile 1, Food Sensitivity Profile 2, Viral Infections Panel, Intestinal Permeability, Neural Zoomer, Food Additives.
