

Neural Zoomer Plus

Benefits of Neural Zoomer Plus Testing?

Discover patterns and root causes of neurological inflammation and dysfunction with Neural Zoomer Plus testing.

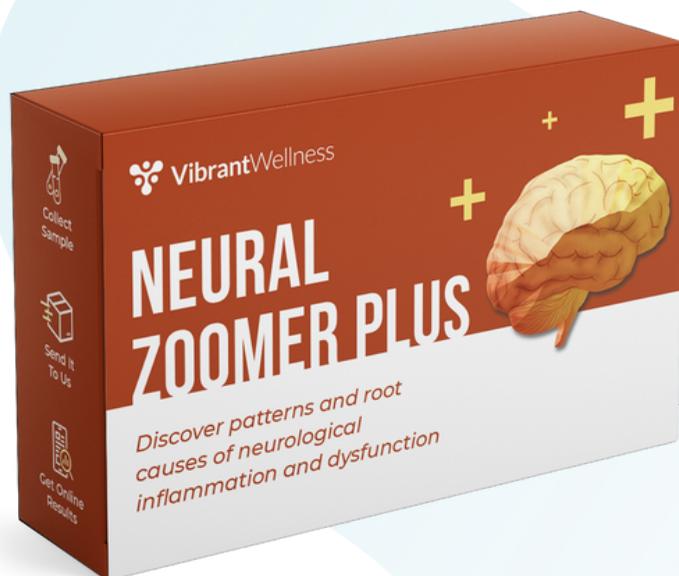

Detect underlying inflammatory responses that may be causing symptoms related to mood, memory, aging, balance, nervous function, movement, pain, and more.

Consider this test if you are at risk for Alzheimer's, Parkinson's, ADHD, Autism, PANS/PANDAS, or other autoimmune disorders.

Recognizing Symptoms of Autoimmunity in the Nervous System

Symptoms Include:

- Hyperactivity or nervous energy
- Depression
- Irritability
- Lack of concentration/brain fog
- Migraines or headaches
- Muscle spasms
- Anxiety, fears, or uneasiness
- Forgetfulness
- Body aches
- Tremors
- Balance problems
- Memory loss
- Trouble focusing
- Visual or hearing loss
- Mood changes or disorders
- Chronic or acute fatigue
- Joint pain
- Gastrointestinal symptoms

Why is This Test Important?

- Neural Zoomer Plus measures immune reactivity to structures, tissues, cells, and chemicals in the brain and peripheral nervous system.
- This test enables you and your care provider to pinpoint the mechanisms behind disease progression and develop a personal roadmap to improved neurological health.

The Vibrant Wellness Advantage

- **Simple testing with robust results.** Peptide-level antibody detection of 48 of the most well-studied brain and nervous system antibodies.
- **Unparalleled sensitivity and specificity.** Our proprietary technology uses a fully automated multiplex platform to achieve highly specific and sensitive results at 94-100% accuracy.
- **Validated and accredited.** Science-backed testing and analysis based on rigorous, ongoing research by clinical experts.

How To Proceed

- Work with your care provider to locate a blood draw center or use our [Blood Draw Center Locator](#).
- No need to fast before testing—consume your normal diet.
- Send the sample to our labs for analysis and work with your care provider to understand the results.

About Vibrant Wellness

Vibrant Wellness is a leading CAP-accredited biotech company based in San Carlos, CA. We deliver life-transforming lab testing that enables health and wellness providers to discover the root cause of patient health issues.

We are at the forefront of modern medicine and research, providing personalized health analytics using cutting-edge, high-quality technology. We believe that anyone can achieve **vibrant health and longevity** through individualized solutions based on testing—not guessing.

Regulatory Statement

The general wellness test intended uses relate to sustaining or offering general improvement to functions associated with a general state of health while making reference to diseases or conditions. This test has been laboratory developed and its performance characteristics determined by Vibrant America LLC and Vibrant Genomics, CLIA and CAP certified laboratory performing the test. The test has not been cleared or approved by the U.S. Food and Drug Administration (FDA). Although FDA does not currently clear or approve laboratory-developed tests in the U.S., certification of the laboratory is required under CLIA to ensure the quality and validity of the tests.
